

Vamsi Putturu

Full Stack Developer

Hyderabad • +91 9705966814 • vamsiputturu9@gmail.com • [LinkedIn](#) • [Github](#)

Motivated Full Stack Developer with foundational knowledge in front-end and back-end technologies. Proficient in HTML, CSS, JavaScript, and React for creating dynamic and responsive web applications. Familiar with server-side programming using Node.js, and database management with SQL and MongoDB databases and passionate about learning and growing in the tech industry.

Internship Experience

Full Stack Development Intern | I.T. VEDANT | JNTU, Hyderabad | 2024 – PRESENT

- Developed and maintained dynamic web applications using HTML, CSS, JavaScript, and various back-end frameworks.
- Collaborated with cross-functional teams to deliver high-quality software solutions, ensuring seamless integration between client-side and server-side components.
- Managed databases, version control using Git, and followed Agile methodologies.
- Enhanced user experience through responsive design and efficient coding practices.
- Gained comprehensive understanding of the development lifecycle.

Data Analysis with Tableau and Cognos Intern | Smart Internz | Visakhapatnam | October 2024 – May 2024

- Collected, cleaned, and analyzed large datasets to identify trends and insights.
- Utilized Excel, SQL, and Python for statistical analysis and visualizations to support business decision-making.
- Developed data-driven solutions and presented findings through comprehensive reports and presentations.
- Enhanced data accuracy and provided actionable insights for strategic planning.

Technical Skills

- Front-End Development: Proficient in HTML, CSS, and JavaScript; experience with frameworks such as React.
- Back-End Development: Skilled in Node.js and Python; familiar with frameworks like Django.
- Database Management: Experience with SQL (MySQL, PostgreSQL) and NoSQL (MongoDB) databases.
- Version Control: Proficient in Git and GitHub.

Soft Skills

- Problem-Solving: Analytical thinking to troubleshoot and solve complex issues.
- Collaboration: Effective teamwork with cross-functional groups.
- Communication: Clear and concise communication of ideas and solutions.
